The graded booklist series was produced to respond to children's, parents', and teachers' queries about good books to read. The series was originally compiled by the Advisory Committee of Children's Librarians in Westchester (NY) County, and updated by the Children's Librarian at the Eastchester Public Library.

The lists contain new books which librarians have especially enjoyed as well as old favorites which have proven popular over the years with boys and girls of similar ages.

We hope you will find these lists a good place to start your reading.

Remember, ask your librarian for additional suggestions for books to read by these and other favorite authors. **HAPPY READING!**
