

Jerusalem Before David

with

Dr. Peter Feinman

Wednesday, July 11th at 7:00 p.m.

Jerusalem existed longer before it became the City of David than it did as the capital of his kingdom. What do we know about that history? What do we know about its religion? How did it respond to the presence of the new people Israel? What happened to the people after they became part of Israel? What impact did these people have on the bible? Join us as Dr. Feinman explores these topics.

Dr. Feinman is the author of *Jerusalem Throne Games*. He is also a member of the Institute of History, Archaeology, and Education.

This program is free and open to the public. All are welcome!
