

Eastchester Union Free School District

Ms. Mari K. Doyle, Principal
Waverly School

January 17, 2020

To Prospective Parents:

Calling parents of the class of 2033! My name is Mari Doyle, and I am the principal of Waverly School. I am writing to encourage you to register your school-age child now for kindergarten.

Allow me to tell you a little about Waverly. It's truly a wonderful place. It is where youngsters come to learn and explore, have thoughtful conversations, make friends, make mistakes and grow. We are very excited to welcome our newest students to our school.

This coming May, we will have two orientations for registered families. During these sessions, parents will get to learn about our phenomenal school, and children will visit and play in our kindergarten classrooms. **These special sessions are only for families whose children are registered, so please take advantage of this informative time.**

Registration is open to all children who reside in Eastchester and will turn five by December 1, 2020. *If your child's birthday is after September 1, 2020 and you have any concerns regarding your child's readiness for kindergarten, I encourage you to contact me.* You can register your child now for kindergarten. Registration information and forms are available at

On behalf of the Waverly staff, we look forward to welcoming your family to Waverly.

Most Sincerely,

Mari K. Doyle
